The Communist Party of China (CPC), also referred to as the Chinese Communist Party (CCP), is the founding and ruling political party of the People's Republic of China. The Communist Party is the sole governing party within mainland China, permitting only eight other, subordinated parties to co-exist, those making up the United Front. It was founded in 1921, chiefly by Chen Duxiu and Li Dazhao.

Canada's commercial love affair with China was born on the grain fields of the Prairies, and it looks as though it may die there. Beijing said on Wednesday it is blocking some imports of Canadian canola seeds after claiming to have discovered "dangerous pests" in several shipments. In reality, this looks like an opening shot [...]
