**Nfpa 130 Free**

A safety essential in any building. Whether old or new, every building needs safety at its foundation. NFPA 101, Life Safety Code® is the only document that covers life safety in both new and existing structures.

**NFPA**

NFPA publishes more than 300 consensus codes and standards intended to minimize the possibility and effects of fire and other risks. NFPA codes and standards, administered by more than 250 Technical Committees comprising approximately 8,000 volunteers, are adopted and used throughout the world.
