KIRKUS REVIEW. The mixed-media artwork is engaging and expressive. Orion is a comical-looking tyke with a large, round head under a striped, knitted cap. The Dark has a soft, rounded form. Its mottled-blue skin is bedecked with stars, and its features are two round, white dots above a simple, white smile.

I love how when Orion faces the biggest 'dark' he knows, the outside dark, night sky and Dark comes into his room, Orion's manner insist he greet Dark politely. The endearing anthropomorphism of Dark and his imagination, which is as big as the Orions's show children how fears and worries can be transformed into 'friends'.
