We often get questions on the difference between Microsoft Excel intermediate skills and Microsoft Excel beginner skills. Many of our students who think they have beginner Microsoft Excel skills have intermediate level Microsoft Excel skills and vice versa. There is this ongoing debate on what constitutes intermediate level Excel skills and what constitutes beginner level Excel skills.

Microsoft Excel Intermediate vs. Microsoft Excel Beginner ...

Group decision-making (also known as collaborative decision-making) is a situation faced when individuals collectively make a choice from the alternatives before them. The decision is then no longer attributable to any single individual who is a member of the group. This is because all the individuals and social group processes such as social influence contribute to the outcome.
