Outlander Novel By Diana Gabaldon

Outlander (published in the United Kingdom as Cross Stitch) is the first in a series of eight historical multi-genre novels by Diana Gabaldon. Published in 1991, it focuses on the Second World War-era nurse Claire Randall, who travels through time to 18th century Scotland and finds adventure and romance with the dashing Jamie Fraser. A mix of several genres, the Outlander series has elements of ...

The OUTLANDER series started by accident in the late 1980s when I decided to write a novel for practice. My goals were:: To learn what it took to write a novel, and To decide whether I really wanted to do that for real. I did, and I did—and here we all are, still trying to figure out what the heck you call books that nobody can describe, but that fortunately most people seem to enjoy.
