### **Power Of Critical Thinking 5th**

A baseline score of critical thinking ability was obtained from all participants using the Halpern Critical Thinking Assessment (Halpern, 2010). A sample question for the Halpern Critical Thinking Assessment is shown in Fig. 1. We omitted questions pertaining to understanding likelihood and uncertainty for this study because we did not include instruction on these topics.

Critical reading is a form of language analysis that does not take the given text at face value, but involves a deeper examination of the claims put forth as well as the supporting points and possible counterarguments. The ability to reinterpret and reconstruct for improved clarity and readability is also a component of critical reading. The identification of possible ambiguities and flaws in ...
