Financial Management By Prasanna Chandra

Project management is essentially involved in executing the projects. It is recognized as a management philosophy in the recent past in addition to that of discipline. Project management has always been central to the existence of industries like construction, aerospace and defense, where schedule and cost goals are contract fundamentals.

Project management - SlideShare

Financial Management: Theory and Practice celebrates the 23rd Anniversary of its publication. Over these two decades, Indian business and finance have considerably changed owing to deregulation, liberalisation, privatisation, globalisation, and the ascendance of the services sector. The book has kept pace with these changes and captures the central themes and concerns of corporate financial
