Reading Comprehension Active And Passive

Reasons for Reading Types. An obvious difference between active and passive reading is the reason why you would engage in one type of reading or the other. For example, if you are studying for a test or preparing to write a paper, you would tend to read actively because you need to think about the material so you can understand it in a deeper way.

Difference Between Active & Passive Reading | The Classroom

Active vs. Passive Reading. Have you ever read a page from a textbook and at the end of the page realized you have no idea what you just read? Successful readers develop active reading habits that improve their reading comprehension, speed, and enjoyment. Active reading involves deeper engagement with the text before, during, and after reading.
