SCANIA DC12 OPERATOR'S MANUAL Pdf Download.

In-line with its policy, Scania is leading the transition to the Euro 3 emission standard, which is expected to apply from October next year for new models and one year later for all new vehicles. Six parallel output levels from 220/230 hp to 420 hp in Euro 2 or low-emission form are now available to customers. The close output steps enable every operator to find an optimal solution.
