Sleep Warm is an album recorded by Dean Martin for Capitol Records in three sessions between October 13, 1958 and October 15, 1958 with arrangements by Pete King and orchestra conducted by Frank Sinatra. Described in the liner notes as a "beguiling set of lullabies for moderns," the selections follow a "bedtime" concept with several of the song titles containing the words "dream" and/or "sleep."

When I was pregnant with my third child, I had a feeling that something was very different. The twenty week ultrasound confirmed my fears when our sweet baby was diagnosed with renal agenesis (Potter's Syndrome), and we were told that she would either be stillborn or live for only a very short time after birth.

What is 'Wake to Sleep'? Wake to sleep is a strategy used by The Baby Whisperer (and others, but she was the first I learned this from so she gets to be mentioned here) to help reset a child's pattern of habitual sleep awakenings. Just like any other sleeping method, it requires commitment and consistency. The Baby Whisperer says it usually takes around 3 days to work but I'm going to say 3-7 ...
