A hippie (sometimes spelled hippy) is a member of the counterculture of the 1960s, originally a youth movement that began in the United States during the mid-1960s and spread to other countries around the world. The word hippie came from hipster and used to describe beatniks who moved into New York City's Greenwich Village and San Francisco's Haight-Ashbury district.

Despite an enormous difference in content and plot, Doctor Faustus by Christopher Marlowe and Paradise Lost by John Milton share a great deal in common thematically. In both Doctor Faustus and Paradise Lost, the quest for knowledge is not a noble pursuit with great rewards at the end, but rather it proves to be a means to an end. In each work, knowledge that is not directly accessible in either ...
