The Bear And The Piano

The Bear and the Piano. One day, a young bear stumbles upon something he has never seen before in the forest. As time passes, he teaches himself how to play the strange instrument, and eventually the beautiful sounds are heard by a father and son who are picnicking in the woods.

The Bear and the Piano | KS1 | Literacy Planning ...

The bear goes with them on an incredible journey to New York, where his piano playing makes him a huge star. He has fame, fortune and all the music in the world, but he misses the friends and family he has left behind.

The Bear And The Piano | Teaching Ideas

"The Bear and the Piano" is such a sweet, engaging story, and the illustrations add little details that flesh out the story with multiple readings. Its message is surprisingly adult: that the pursuit of happiness and the pursuit of success are often at odds with one another, that fame can come at the expense of making us feel even more alone.

The Bear and the Piano: David Litchfield: 9781847807182 ...

"The bear and the piano" is a story about a bear who finds a piano, and also finds an incredible ability to make beautiful music. But this is not all the treasure life has in store for him.

The Bear and the Piano.

When a young bear discovers a piano in the woods one day, his first experiments in playing are unsuccessful, and he produces an awful noise. But something draws him back again and again as he grows to maturity, until finally the full-grown bear is an accomplished pianist.
