The Tapeless Deck is a combination of authentic HiFi cassette deck with the digital music player. You can enjoy the stylish vintage look while using digital media such as MP3/FLAC player, Internet radio or music streaming.

### **Tapeless Deck Project**

The holodeck is a fictional plot device from the television series Star Trek. It is presented as a staging environment in which participants may engage with different virtual reality environments. From a storytelling point of view, it permits the introduction of a greater variety of locations and characters that might not otherwise be possible, such as events and persons in the Earth's past ...

This page is for realistic scientifically plausible slower-than-light communication. For unrealistic science-fictional faster-than-light communication see this page.. This deck contains communication

gear, perhaps even with something like a Morse code key for use when radio interference becomes a problem (If this was a Metalunan ship, this is where you'd find the interociter).

### **COMMUNICATION DECK - The Weird World of Winchell Chung**

For certain spacecraft emergencies, it is best if the crew and passengers abandon ship in some type of rescue craft. A "life-raft" is a long endurance device carrying many castaways. Its purpose is to keep the castaways alive until they are found and rescued by another ship.

Bleach does not kill mold or algee, I send a good part of the year doing that on houses and docks. I use Jo-Max, it kills the mold, from homo depot because no one else has it, mix it with bleach,bleach whitening the stain. I have used it on my carpet many times, But can't say anything about the furnture as I threw mine away a long ago, and replaced it with heavy duty outdoor furnture, so I can ...
