I had to order "Hell's Heroes", the final book in the "Demonata" series, from the UK because it was released there in October 2009 but is not scheduled for release in the USA until the second quarter of 2010. I was able to purchase it from www.amazon.co.uk without a problem and to have it shipped to the US very quickly.

review 1: As the final book in the series this one brings everything nicely together. Everything is brought about to a great ending - ending on a light tone - with all your questions answered. As well-paced as the other books, filled with as much action and entertainment it is a must read if you have read the rest of the series.
