Ringo is the third studio album by Ringo Starr, released in 1973 on Apple Records. It peaked at No. 7 on the UK Albums Chart and No. 2 on the Billboard 200, and has been certified platinum by the RIAA. In Canada, it reached No. 1 on the RPM national albums chart. The album is noted for the appearance of all four Beatles, and for its numerous guest stars, something which would become a signature ...

Monogamy occurs when one male mates with one female exclusively. A monogamous mating system is one in which individuals form long-lasting pairs and cooperate in raising offspring. These pairs may last for a lifetime, such as in pigeons, or it may occasionally change from one mating season to another, such as in emperor penguins. In contrast with tournament species, these pair-bonding species ...
