### **The Nile Hydro Politics A**

The Nile Basin Initiative (NBI) is a partnership among the Nile Riparian states that “seeks to develop the river in a cooperative manner, share substantial socioeconomic benefits, and promote regional peace and security”. It was formally launched in February 1999 by the water ministers of 9 countries that share the river – Egypt, Sudan, Ethiopia, Uganda, Kenya, Tanzania, Burundi, Rwanda ...

The Nile (Arabic: النيل , written as al-Nīl; pronounced as an-Nīl) is a major north-flowing river in northeastern Africa, and is the longest river in Africa and in the world, though some sources cite the Amazon River as the longest. The Nile, which is about 6,650 km (4,130 mi) long, is an "international" river as its drainage basin covers eleven countries, namely, Tanzania, Uganda ...

In the fall of 2012 newspapers around the world reported on a Wikileaks document, surreptitiously acquired from Stratfor, the Texas security company, revealing Egyptian and Sudanese plans to build an airstrip for bombing a dam in the Blue Nile River Gorge in Ethiopia. The Egyptian and Sudanese governments denied the reports. Whether or not there were such plans in 2012, there is a long history ...

The GERD is a source of national pride in Ethiopia. Parallels with big U.S. hydroelectric projects are striking. At the dedication of Hoover Dam (then known as Boulder Dam) on the Nevada-Arizona border in 1935, President Franklin Roosevelt called the dam a 20th century marvel that would benefit the entire nation.

The vast majority of Burundi's population is Hutu, traditionally a farming people. Power, however, has long rested with the Tutsi minority, which historically has controlled the army and most of the economy, particularly the lucrative international export of coffee. Few real cultural differences are distinguishable between the two peoples, and both speak Rundi (Kirundi).

Economy. Sudan's economy is booming on the back of increases in oil production, high oil prices, and large inflows of foreign direct investment.

### **Facts About Sudan**

Sir John Sawers spent 36 years in public service in the UK, working on foreign policy, international security and intelligence. Sir John was chief of the Secret Intelligence Service, MI6, from 2009 to 2014 - a period of international upheaval and growing security threats, as well as closer public scrutiny of the intelligence agencies.
