Many times when wealthy people move into a low-income neighborhood, they truly want to help. Oftentimes, they even start community programs and become leaders in the community, often through beautification projects. And while I get why this seems to be good at first glance, it really isn't. Gentrification hurts communities of color, and these are some of the ways how.

Occasionally, a really good book comes along that explains a situation or specific healing needed by many divorcing women. Something that many of us can relate to and benefit from a little more education. That's when I feel it's important enough to share what I've read and learned in a blog post. Although I've read a lot of books about abuse healing, divorce healing, and narcissism, beyond ...
