### **Tnd Project Towards No Drug**

Project TND is an effective drug abuse prevention program that targets senior high school-age youth. It was developed by Steve Sussman, Ph.D. and staff at the Institute for Health Promotion and Disease Prevention Research, in the Keck School of Medicine at the University of Southern California.

### **TND - Project Towards No Drug Abuse**

Project Towards No Drug Abuse (TND) is a drug prevention program for high school youth who are at risk for drug use and violence-related behavior. The current version of the Project TND curriculum contains twelve 40-minute interactive sessions taught by teachers or health educators over a 3-week period.

### **Project Towards No Drug Abuse substance abuse program ...**

Study 1 Substance Use Results indicated that, at 1 year after the intervention, participants receiving Project Towards No Drug Abuse (Project TND) reported significant reductions in hard drug use (compared with comparison group students) and reductions in alcohol use among students who indicated alcohol use at pretest.

### **Program: Project Towards No Drug Abuse (Project TND ...**

Study 1 Substance Use Results indicated that, at 1 year after the intervention, participants receiving Project Towards No Drug Abuse (Project TND) reported significant reductions in hard drug use (compared with comparison group students) and reductions in alcohol use among students who indicated alcohol use at pretest.
