The history of Inuit relations with the Government of Canada has been a story of negotiation, accommodation and resistance. The relationship has developed around a long conversation of rights recognition and struggle for voice within the Canadian political system. Inuit have made tremendous progress in this, and speak from a position of authority and strength on many issues of concern to them.

Canada's Relationship with Inuit: A History of Policy and ...

Hello. I see that you don't update your website too often. I know that writing articles is boring and time consuming. But did you know that there is a tool that allows you to create new posts using existing content (from article directories or other websites from your niche)? And it does it very well.
