We're Going to Need More Wine: Stories That Are Funny ...

We're Going to Need More Wine is the perfect title as this book touched on a number of topics from growing up black in a predominantly w It is important to note that these are essays so don't expect a full memoir, and with that being said, not all details of her life were given and some things were completely left out.

We're Going to Need More Wine by Gabrielle Union

We're Going to Need More Wine is honest, raw, and funny. Union's vulnerability about her flaws and mistakes, and also pride in her triumphs, will not only make you feel as though you're seeing yourself reflected, but will also inspire you to be your most authentic self."

We're Going to Need More Wine: Stories That Are Funny ...

We're Going to Need More Lithium. There's plenty in the ground to meet the needs of an electric car future, but not enough mines. Starting about two years ago, fears of a lithium shortage almost tripled prices for the metal, to more than \$20,000 a ton, in just 10 months.
