Wizard's First Rule is the first book in Terry Goodkind's The Sword of Truth series. I must confess, before this review grows any longer, that while I did enjoy reading this book a lot (perhaps much more than my rating reflects, but more about that later) I'm not a fan of the series, so not a fan I didn't pass book three.

First, let me start by saying please disregard the review that gave this a 1 star, they should have put that with the T.V. series Legend of the Seeker(on which is loosely based on this book series), not with this book. Wizards First Rule is an instant hit from the first chapter and you will not regret your purchase!

I read Wizards First Rule, and the rest of the series a few years ago and remember thinking the author was a bit puffed up, but the story was good. After this listen I've revised that opinion. The story could be good, if the author would just get on with it. If he would just tell the tale. If only he let the story flow.
