This free farm printable set is brought to you by Beth from 123Homeschool4Me!. April is a great month to study about farms! There are lots of cute babies and the farmer is getting ready to get things going for the season.

Free Instant Download: Farm Printable Pack (20-Pages)

You could teach fractions by making a mess in the kitchen, but sometimes mama just doesn't want to deal with that. You could also resort to boring ol' worksheets. Or you could learn by playing a game! Math games make learning a new concept way more fun! Enjoy learning about fractions with Fractions BINGO!

BINGO Fractions Math Game | School Time Snippets

Easter is almost upon us. Hard to believe how fast this year is flying. I love this time of the year. Spring has sprung, and a new life is on full display. With spring comes Easter, which is a favorite time for us. It is the time that we remember Christ's resurrection and all He has done for us ...

Easter Crafts & Activities! FUN and Inspirational ideas!

Homeschooling.drewper.com is tracked by us since April, 2011. It was hosted by Abraxis Networks Inc, Site B Data Services LLC. and others.. Homeschooling.drewper has a mediocre Google pagerank and bad results in terms of Yandex topical citation index.

Doing science activities with your kids takes advantage of their natural curiosity. They're a lot of fun to do and kids always learn something, even if the experiment doesn't go exactly as you planned it. Science activities are one of my kids' favorite projects, and I love seeing them figure things out.
